- Plastics directive 2002/72/EC (06-08-2002) and its amendments till directive 2008/39EC relating to plastic materials and articles intended to come into contact with foodstuffs.

This Certificate of Conformity relies on the product recipe disclosed to Intertek Polychemlab, the performed migration and/or extraction tests and the compliance statements submitted by the raw material producers.

This Certificate of Conformity and the above mentioned test report are limited to the tested samples and do not represent a generally applicable statement on the quality of the continuous production. Any change in the recipe, the raw materials, the production process or the intended use of the above mentioned product can have an impact on the food contact compliance. This certificate is valid as long as no major changes in the relevant regulations occur.
